

Create a database in cloudant DB

Team ID	PNT2022TMID49399
Project Name	Smart waste management system for metropolitan cities

Step 1: login into IBM CLOUD account

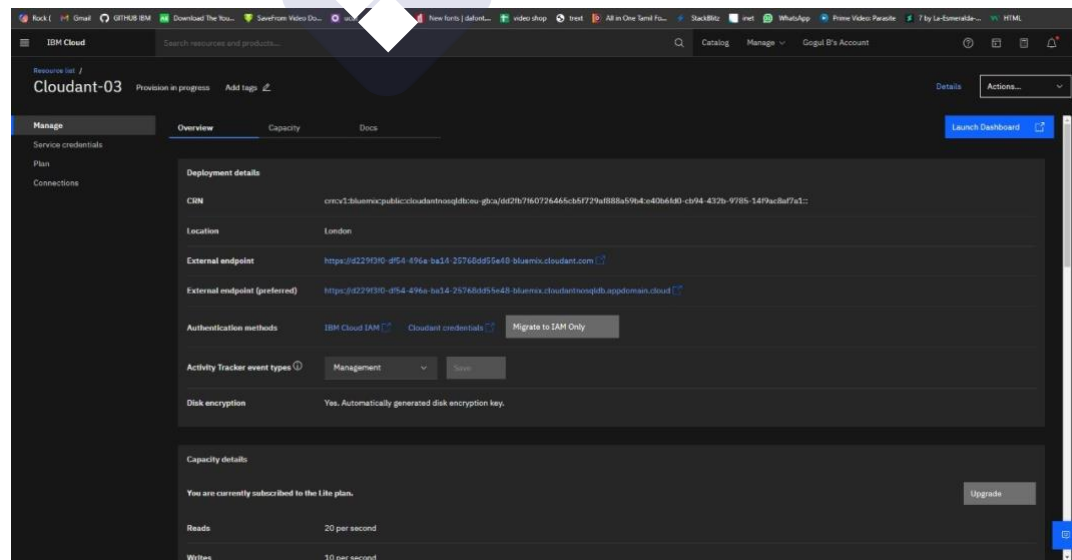

Step2: On the top left corner click on RESORCE LIST

Step 5: Now, cloudant window appears then click on launch dashboard on right corner

Step 6: click on create database on right corner then provide the name for database and check the -partitioned - recommended for most workloads>option then click on create

Step 7: Finally, cloudant DB was successfully created

Screenshots of cloudant account:

Step 3: Search for Database option then click on drop down arrow

Step 4: Then click on cloudant account available
